

Intermediate Projects — Coming Soon!

Hi Maker..!!!

You've already explored the **Basic Projects** — great job! 🚀

Now, we're preparing the **Intermediate Projects** to take your learning one step further. These projects are designed to:

- Strengthen your confidence 💡
- Introduce slightly more challenging ideas ⚡
- Prepare you for the **Advanced Projects** ahead 🚶

Release Plan:

- **By 30th November 2025** → 2–3 exciting Intermediate Projects will be added here.

Bonus for You:

These updates will be **100% free for all existing users**.

You'll be able to download them using the **same link** you used for this kit — no extra steps needed.

Keep building, keep learning — the journey has just begun! 🌟

Happy tinkering,

— Team AYNOP
